November 18, 2021

Dear Glenn Johnson,

Unfortunately, we will be ending representation regarding your false arrest claim stemming from your October 8, 2020, arrest. On October 27, 2021, we had a settlement conference with the Comptroller's Office. The Comptroller's Office would not make a settlement offer. They explained that their no offer position was due to the 20+ claims that you have filed against New York City in the past.

This does not mean you cannot or will not get an offer from New York City. You can still file a lawsuit in state or federal court. As per our retainer, because the Comptroller's Office decided not to make you a settlement offer, we will no longer continue to represent you in this matter.

A lawsuit must be filed in state court within 1 year and 90 days from the date of your arrest to preserve your false arrest claim, and a lawsuit must be filed in state court within 1 year and 90 days from the date your case was dismissed to preserve your malicious prosecution claim. A lawsuit must be filed in federal court within 3 years from the date of your arrest to preserve your constitutional false arrest claim, and a lawsuit must be filed in federal court within 3 years from the date of a dismissal to preserve your constitutional malicious prosecution claim. If your criminal case ended with an ACD you must meet the deadline for false arrest; you do not have a malicious prosecution claim.

Please contact the office if you have additional questions. We will set up a phone conference or an in-person conference if you wish to discuss further.

It was a pleasure working with you and we wish you all great things to come.

Sincerely,

Ilissa Brownstein, Esq.

Q What happened to the case?

A It got dismissed February 3rd of this year, 2021.

Q Were you told the reason for the dismissal?

6 Q what does the paperwork say?

7 A It says dismissed.

8 Q Did you take an ACD?

A No. I think my wrists was killing me, it was messed up.

Q How long did they hurt?

A No, like a couple of days.

Q Are you claiming any emotional damages because of what happened?

A Yeah, yeah, yeah.

Q What are your emotional damages?

A Put it like this, emotional distress, mental anguish.

Q Tell me about it.

A Emotionally distressed, mental anguish. I be having nightmares and stuff like that, hearing voices.

Q Did you ever have anything like that before, did you ever hear voices before?

1 G. Johnson 20

2 A Yeah, like off and on, yeah, I be  
3 hearing it, it comes and goes.

17 Q Why were you seeing them?

18 A I can't recall. I can't recall.

19 Q Had they prescribed any

A I got so much stuff going on, maybe. Probably so.

Q When did you go to Rikers?

A Last year, November 24, 2020.

Q So, the month after this happened, other than this claim, have you ever brought a claim against the City or State of New York for any other reason?

A Yeah, yeah.

Q How many other claims?

A I don't know. Two.

Q Were they also arrest cases also?

A I think one was excessive force, and one was, like, corrections.

Q Were you injured in corrections?
